REMARKS

A Sequence Listing is submitted herewith. The Sequence Listing shows sequences that were present in the subject application as filed and, therefore, does not add new matter.

The specification has been amended to insert description of figures, Figures 2E and 2F, as well as Sequence Identifiers as appropriate. Figures 2E and 2F were originally incorporated with the application as filed. Thus, the amendments merely address a formality, and do not add new matter.

The Examiner is invited to contact Applicants' undersigned representative if there are any questions regarding the subject application. The Commissioner is authorized to debit (or credit) Deposit Account No. 07-1896 if any fee is required (or if there is any overpayment).

Respectfully submitted,

Date: September 29, 2005
